Welcome to Menorca International Basketball Camp

The Menorca International Basketball Camp (**MIBC**) is much more than a summer basketball camp.

Organised by Ballers United Academy, MIBC brings together young players from different countries for an unforgettable week of basketball, learning and having new experiences on the beautiful island of Menorca, Spain.

Our goal is to create an environment where players can develop their game, learn from experienced coaches from different countries, meet players from different backgrounds and enjoy basketball in an international setting.
